Please answer the questions below about the applicant on another sheet of paper. Use as much detail as possible as your recommendation plays an important part in consideration of a scholarship. Thank you.

1. Describe your relationship with the applicant.

2. Describe how the applicant has overcome past obstacles. When possible, please use examples.

3. Describe the applicant's strengths and potential to complete coursework.

4. Discuss the applicant's financial need.

5. What else should the review committee know in considering this applicant?

*Please return this form to the applicant so they can submit it with the rest of their application.*
